

HE WINS WORLD'S CHAMPIONSHIP AS RADIO OPERATOR

T. R. McElroy Establishes Record by Taking 56½ Words a Minute.

Acclaimed by an enthusiastic gathering of dyed-in-the-wool operators, Theodore R. McElroy, world's champion radio operator, last night was awarded the championship cup presented by the New York radio show. He was the only one of the three competitors left in the contest after forty-eight words a minute were transmitted. E. G. Seutter of the Times, who was champion until last February, when the title was passed on to Jesse Serron, the Chilian, at the second annual exhibition of the Executive Radio Council of the Second District, was eliminated at the forty-six word mark and J. C. Smythe dropped out of the race with fifteen errors when forty-six words were being transmitted.

After the contest, which was held with only the judges and newspaper representatives present, Mr. McElroy gave a demonstration of his receiving ability against time and established a world's record by taking fifty-six and one-half words a minute with only one error. This is six words better than his Boston record.

The contest was under the direction of Arthur Bacheller, Chief Radio Inspector of the Second District; Major J. Andrew White and R. L. Duncan, Director of the Radio Institute of America. The apparatus used in this contest was especially designed by engineers of the Radio Institute. On account of the high speed attained by the contestants special circuits were necessary to assure stability of signals. Usually a buzzer is used in these contests. The buzzer, however, misses signals occasionally, or changes its tone, and often proves detrimental to test results. In this instance it was necessary to provide a signal of unvarying tone.

Official presentation of the cup will be made at 8 o'clock to-night at the 71st Regiment Armory, when Mr. McElroy will give a public demonstration of his ability at catching elusive dots and dashes.

Jesse Serron, winner of the mid-winter contest, was unable to enter the tests last night because of illness. His record was forty-nine and one-half words a minute.

FINALLY SUES GOVERNOR.

JACKSON, Miss., May 25.—Miss Frances Birkhead's \$100,000 damage suit against Gov. Lee M. Russell, alleging breach of promise and seduction, was filed in the Hinds County Circuit Court to-day and docketed for trial at the next term.

The suit first was filed in the Federal District Court here and was dismissed early in May on the ground of no jurisdiction. The complaint filed to-day was a copy of the one dismissed. Miss Birkhead was formerly Gov. Russell's stenographer.
